205	BL_205	11/03/2025	10:55	Lake bed survey - WAW	-32.093484 115.823904	Y	Unknown	Unknown	Unknown	Very old (12+ months)	Bleached, cracked carspace with moderate weathering
206	BL_206	12/03/2025	10:56	Lake bed survey - WAW	-32.094420 115.825360	Y	Unknown	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Scutes still intact and not weathered - likely killed after lakebed dried from Feb-2025 onwards
207	BL_207	12/03/2025	6:37	Bibra Lake bed South	-32.094615 115.820583	N	Unknown	Unknown	Unknown	Fresh (last 24 hours)	Observed scavenging birds at sunrise secondary predating turtle on lakebed from bird hide viewing platform - likely overnight fox kill.
208	BL_208	12/03/2025	6:50	Bibra Lake bed South	-32.097183 115.826534	N	Unknown	Unknown	Unknown	Fresh (last 24 hours)	Observed scavenging birds at sunrise secondary predating turtle on lakebed from bird hide viewing platform - likely overnight fox kill
209	BL_209	16/03/2025	10:05	Bibra Lake West (bushland to E of AW)	-32.096056 115.820478	N	Unknown	Unknown	Unknown	Intermediate (last 1-2 months)	Fox trails and dried scat in vicinity
210	BL_210	16/03/2025	10:32	Bibra Lake West (bushland to E of AW)	-32.092875 115.821508	N	Unknown	Unknown	Unknown	Older (last 2-6 months)	Carspace gnawed on, most of plastron missing. Multiple older pieces of fox scat in vicinity
211	BL_211	16/03/2025	11:47	Bibra Lake East (bushland to S of bird hide)	-32.094178 115.830300	N	Unknown	Unknown	Unknown	Older (last 2-6 months)	Plastron gnawed on. Multiple fox scat in vicinity. Plastron starting to crack and a couple of scutes beginning to peel - probably several months old.
212	BL_212	28/03/2025	6:30	Bibra Lake bed West	-32.094123 115.823645	N	Unknown	Unknown	Unknown	Immediate - death observed	Fox observed excavating and killing turtle by community photographer (S.George), then carrying the turtle across the lakebed to the eastern shore
213	BL_213	28/03/2025	10:45	Lake bed survey - WAW	-32.093361 115.823942	N	Unknown	Unknown	Unknown	Very old (12+ months)	Bleached carspace and plastron with moderate weathering. Likely from previous year.
214	BL_214	28/03/2025	10:47	Lake bed survey - WAW	-32.093159 115.823714	N	Unknown	Unknown	Unknown	Very old (12+ months)	Cracked and discoloured carspace, partially buried in dry mud.
215	BL_215	28/03/2025	10:53	Lake bed survey - WAW	-32.092357 115.823982	N	Unknown	Unknown	Unknown	Very old (12+ months)	Cracked and bleached carspace, likely from previous year.
216	BL_216	28/03/2025	10:54	Lake bed survey - WAW	-32.092165 115.823873	N	Unknown	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Recent death with gaw marks on plastron and skin/connective tissue around orifices
217	BL_217	28/03/2025	10:57	Lake bed survey - WAW	-32.091930 115.823791	N	Unknown	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Recent death with gaw marks on plastron. One leg remaining and skin/connective tissue around orifices
218	BL_218	28/03/2025	11:50	Lake bed survey - WAW	-32.094345 115.824180	N	Unknown	Unknown	Unknown	Recent (last few days)	Carcass still has fresh tissue attached - likely from past 24-72 hours.
219	BL_219	30/03/2025	11:49	Bibra Lake West (bushland to E of AW)	-32.093025 115.821594	N	Unknown	Unknown	Unknown	Intermediate (last 1-2 months)	Plastron heavily gnawed on. Multiple fox scat in vicinity. Carspace and scutes intact - likely several weeks old
220	BL_220	30/03/2025	12:00	Bibra Lake bed West	-32.092256 115.822426	N	Unknown	Unknown	Unknown	Recent (last few days)	Death in past 24-72 hours when this area was previously checked. On lakebed with fox excavations nearby, likely secondary orated by scavenging birds.
221	BL_221	30/03/2025	12:27	Bibra Lake East (bushland to S of bird hide)	-32.091523 115.827761	N	Unknown	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Carcass still has fresh tissue attached and crawling with ants and maggots. Severed head found nearby with most of skin intact and teeth marks.
222	BL_222	30/03/2025	13:48	Bibra Lake East (bushland to S of bird hide)	-32.092811 115.829108	N	Unknown	Unknown	Unknown	Old (6-12 months)	Carspace and plastron gnawed on - multiple older fox scat in vicinity
223	BL_223	1/04/2025	10:02	Lake bed survey - WAW	-32.089040 115.824787	N	Unknown	Unknown	Unknown	Very old (12+ months)	Cracked and bleached carspace, likely from previous year.
224	BL_224	1/04/2025	11:08	Lake bed survey - WAW	-32.094909 115.824066	N	Unknown	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Missing head, neck, legs and tail but dried soft tissue remaining. Heavily gnawed on.
225	BL_225	1/04/2025	11:32	Lake bed survey - WAW	-32.094298 115.825143	N	Unknown	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Carspace and plastron intact and skin around orifices. Head, neck, legs and tail missing.
226	BL_226	1/04/2025	11:47	Lake bed survey - WAW	-32.092971 115.824265	N	Unknown	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Missing head, neck, legs and tail but dried soft tissue remaining. Heavily gnawed on.
227	BL_227	1/04/2025	11:52	Lake bed survey - WAW	-32.091945 115.823933	N	Unknown	Unknown	Unknown	Very old (12+ months)	Cracked and discoloured carspace, partially buried in dry mud.
228	BL_228	5/04/2025	10:12	Bibra Lake West (bushland to E of AW)	-32.093744 115.821298	N	Unknown	Unknown	Unknown	Very old (12+ months)	Cracked and bleached carspace, likely from previous year.
229	BL_229	5/04/2025	10:24	Bibra Lake bed West	-32.092972 115.822242	N	Unknown	Unknown	Unknown	Recent (last few days)	Death in past 24-72 hours when this area was previously checked. On lakebed with teeth indentations on carspace and fox excavations nearby, likely secondary orated by scavenging birds.
230	BL_230	5/04/2025	11:32	Bibra Lake East (bushland to S of bird hide)	-32.090706 115.827947	N	Unknown	Unknown	Unknown	Old (6-12 months)	Carspace remaining, with some scutes - likely from sometime in 2024
231	BL_231	5/04/2025	11:33	Bibra Lake East (bushland to S of bird hide)	-32.090839 115.828006	N	Unknown	Unknown	Unknown	Older (last 2-6 months)	Carspace heavily gnawed on - only about 25% remaining. Scutes all intact, which indicates relatively recent death.
232	BL_232	5/04/2025	11:42	Bibra Lake East (bushland to S of bird hide)	-32.090917 115.828498	N	Unknown	Unknown	Unknown	Intermediate (last 1-2 months)	Carspace and plastron intact. Some scutes starting to peel. Fox scat directly next to remains.
233	BL_233	5/04/2025	11:45	Bibra Lake East (bushland to S of bird hide)	-32.091136 115.828272	N	Unknown	Unknown	Unknown	Older (last 2-6 months)	Carspace heavily gnawed on - only about 60% remaining with dried fox scat on top. Scutes all intact.
234	BL_234	5/04/2025	12:07	Bibra Lake East (bushland to S of bird hide)	-32.091386 115.828169	N	Unknown	Unknown	Unknown	Old (6-12 months)	Carspace and plastron half-chewed away. Starting to crack and scutes peel. Likely from previous year.
235	BL_235	5/04/2025	12:09	Bibra Lake East (bushland to S of bird hide)	-32.091442 115.828308	N	Unknown	Unknown	Unknown	Old (6-12 months)	Carspace and plastron half-chewed away. Starting to crack and scutes peel. Likely from previous year.
236	BL_236	8/04/2025	12:59	Bibra Lake bed West	-32.088620 115.823605	Y	Suspected fox	Female	Female	Fresh (last 24 hours)	Very fresh with part head removed - body still moving/showing reflex action. Near to several excavations in lakebed with fox tracks. Fox seen nearby by community member at 06:00.
237	BL_237	13/04/2025	16:17	Bibra Lake bed West	-32.092778 115.822381	N	Suspected fox	Unknown	Unknown	Recent (last few days)	Death in past 5 day when this area was previously checked. On lakebed with gaw marks on plastron and a large number of fox trails in the mud around this area. Several excavations observed nearby.
238	BL_238	16/04/2025	8:11	Bibra Lake bed West	-32.092526 115.822696	N	Suspected fox	Male	Male	Fresh (last 24 hours)	Observed on bank of muddy water channel, with multiple fox tracks nearby. Unable to retrieve remains due to soft mud appears to me male. Turtle had head bitten off but remainder of body intact - likely fox kill.
239	BL_239	18/04/2025	10:39	Bibra Lake bed West	-32.092880 115.823101	N	Unknown	Unknown	Unknown	Very old (12+ months)	Carspace intact but bleached and missing all scutes - likely submerged beneath water since time of death. Estimated around 1 year prior.
240	BL_240	18/04/2025	10:43	Bibra Lake bed West	-32.092575 115.822710	N	Unknown	Unknown	Unknown	Very old (12+ months)	Carspace intact but covered in damp sediment. Some scutes still remaining. Likely submerged beneath water since time of death. Estimated around 1 year prior.
241	BL_241	18/04/2025	10:56	Bibra Lake bed West	-32.093062 115.822861	N	Unknown	Unknown	Unknown	Very old (12+ months)	Carspace partially intact and discoloured and half-buried in damp lakebed sediment. Likely submerged beneath water since time of death. Estimated around 1 year prior.
242	BL_242	18/04/2025	10:57	Bibra Lake bed West	-32.093257 115.823966	N	Unknown	Unknown	Unknown	Old (6-12 months)	Carspace and plastron intact and most scutes will present. Partially buried in lakebed sediment. Estimated less than 1 year old, but difficult to determine to due damp mud/water submerison.
243	BL_243	18/04/2025	11:14	Bibra Lake bed West	-32.093455 115.823754	Y	Suspected fox	Female	Female	Immediate - death observed	Turtle found walking weakly with head wound. Taken to WAW, who confirmed crushed skull via bite - turtle passed away within several hours of admission.
244	BL_244	20/04/2025	12:52	Bibra Lake West (bushland to E of AW)	-32.092692 115.821306	N	Unknown	Unknown	Unknown	Old (6-12 months)	Carspace intact with scutes peeling. Top of plastron shows evidence of gaw marks. Likely remaining from sometime in 2024.
245	BL_245	20/04/2025	14:44	Bibra Lake West (bushland to S of bird hide)	-32.093553 115.830181	N	Unknown	Unknown	Unknown	Old (6-12 months)	Small-sized adult turtle. Carcass about 80% intact with peeling scutes. Found in exposed, sunny location - remains likely at least 6 months old.
246	BL_246	20/04/2025	14:48	Bibra Lake East (bushland to S of bird hide)	-32.093689 115.829936	N	Unknown	Unknown	Unknown	Older (last 2-6 months)	Carspace and plastron gnawed on - only about 70% remaining with scutes all intact.
247	BL_247	16/05/2025	8:02	Bibra Lake West (next to North Lake Road)	-32.099806 115.819697	N	Unknown	Unknown	Unknown	Older (last 2-6 months)	Carspace gnawed on - only about 80% remaining with scutes all intact.
248	BL_248	24/05/2025	11:15	Bibra Lake East (next to bird hide)	-32.090717 115.820778	N	Unknown	Unknown	Unknown	Very old (12+ months)	Bleached and partial carcase, stained on underside - likely submerged in water and possibly dug up by fox when exploring lakebed. Multiple diggups and footprints nearby.
249	BL_249	3/07/2025	15:00	Bibra Lake West (next to North Lake Road)	-32.102644 115.824364	N	Vehicle strike	Male	Male	Fresh (last 24 hours)	Small-sized adult male turtle with heavily crushed carcase and missing body parts found on North Lake Road on day when turtles were observed undertaking wetland migrations, triggered by low pressure system/rain.
250	BL_250	8/09/2025	13:15	Bibra Lake East (next to Bibra Drive)	-32.102644 115.824364	N	Vehicle strike	Female	Female	Fresh (last 24 hours)	Mature adult female turtle with crushed carspace and plastron found being predated by crows at the side of Bibra Drive. Crows had been repositioned and evidence of eat-carve (all smashed).
251	BL_251	13/09/2025	11:39	Bibra Lake West (lawn area to E of Ice Arena)	-32.099699 115.822196	Y	Raven	Male	Male	Immediate - death observed	Taken to WAW alive, but died from injuries a few hours later.
252	BL_252	18/09/2025	10:33	Bibra Lake East (bushland to E of N.Kulicick)	-32.087625 115.828356	N	Unknown	Unknown	Unknown	Old (6-12 months)	Carspace intact and most of plastron - scutes starting to peel.
253	BL_253	19/09/2025	18:07	Bibra Lake North (bushland to S of Hope Rd)	-32.083760 115.824389	N	Unknown	Unknown	Unknown	Older (last 2-6 months)	Carspace and plastron gnawed on - only about 70% remaining with scutes all intact.
254	BL_254	26/09/2025	14:25	Bibra Lake North (Hope Rd)	-32.083434 115.825197	N	Vehicle strike	Male	Male	Fresh (last 24 hours)	Adult male turtle with heavily crushed carspace.
255	BL_255	27/09/2025	14:51	Bibra Lake East (bushland to NW of Bond Swamp)	-32.089694 115.831664	N	Unknown	Unknown	Unknown	Old (6-12 months)	Only carcase remaining, with most scutes intact - likely from previous nesting season.
256	BL_256	4/10/2025	17:15	Bibra Lake NW foreshore (to E of Playground)	-32.088919 115.823047	Y	Unknown	Female	Female	Fresh (last 24 hours)	Intact turtle with no signs of external trauma - found to be clinically brain-dead upon arrival at WAW Wildlife hospital. Harvested 10 eggs from the cadaver for reburial at Bibra Lake.
257	BL_257	13/10/2025	17:10	Bibra Lake West (side of road opposite Adventure World)	-32.096996 115.819191	Y	Vehicle strike	Female	Female	Fresh (last 24 hours)	Front section of carcase heavily crushed and injures to head and neck. Seen to be carrying eggs - admitted to WA Wildlife hospital for scanning.
258	BL_258	19/10/2025	7:16	W lake foreshore (to E of Playground)	-32.092651 115.821031	Y	Suspected fox	Female	Female	Fresh (last 24 hours)	Top of head chewed off - hallmark of fox predation
259	BL_259	17/10/2025	21:26	Progress Drive (Adventure Road)	-32.097178 115.820052	N	Vehicle strike	Female	Female	Fresh (last 24 hours)	n/a
260	BL_260	18/10/2025	8:02	Bibra Lake East (bushland to S of Bird Hide)	-32.090414 115.829682	Y	Suspected fox	Female	Female	Fresh (last 24 hours)	Top of head chewed off - hallmark of fox predation. Found within 20 metres of active fox den (Confirmed with camera trap - 7 video and 3 stilling images)
261	BL_261	19/10/2025	10:33	Bibra Lake East (bushland to S of Bird Hide)	-32.090599 115.829612	Y	Suspected fox	Female	Female	Fresh (last 24 hours)	Top of head chewed off - hallmark of fox predation. Found within 10 metres of active fox den and multiple other turtle remains (see BL_260)
262	BL_262	19/10/2025	10:44	Bibra Lake East (bushland to S of Bird Hide)	-32.090605 115.829620	Y	Suspected fox	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Appendages and internal organs missing and visible gaw marks on plastron. Dried blood and some dried soft tissue remaining. Found within 10 metres of active fox den and multiple other turtle remains.
263	BL_263	19/10/2025	11:17	Bibra Lake East (bushland to S of Bird Hide)	-32.090619 115.829642	Y	Unknown	Unknown	Unknown	Very old (12+ months)	Plastron and carspace heavily gnawed on with only about 30% remaining. Remains starting to bleach and weather.
264	BL_264	24/10/2025	7:55	Bibra Lake East (bushland to S of Bird Hide)	-32.090628 115.829619	N	Suspected fox	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Plastron and carspace heavily gnawed - about 60% remaining. Internal organs missing but some dried skin remaining around near legs and tail. Found within 20 metres of active fox den and multiple other turtle remains.
265	BL_265	24/10/2025	12:34	Bibra Lake East (bushland to S of Bird Hide)	-32.087044 115.827738	Y	Raven	Female	Female	Immediate - death observed	Found being predated by multiple ravens. Still alive and was admitted to WA Wildlife hospital - diagnosis of broken jaw and turtle was euthanised the same day.
266	BL_266	25/10/2025	11:57	Bibra Lake East (bushland to S of Bird Hide)	-32.090803 115.830036	N	Suspected fox	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Plastron and carspace heavily gnawed - about 40% remaining. Internal organs missing but some dried skin remaining around near legs and tail. Found within 20 metres of active fox den and multiple other turtle remains.
267	BL_267	25/10/2025	12:05	Bibra Lake East (bushland to S of Bird Hide)	-32.090748 115.829884	N	Suspected fox	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Plastron and carspace heavily gnawed - about 20% remaining. Internal organs missing but some dried skin remaining around near legs and tail. Found within 20 metres of active fox den and multiple other turtle remains.
268	BL_268	3/11/2025	9:53	Bibra Lake South-west (bushland to N of WaterCorp lot)	-32.100240 115.824781	N	Suspected fox	Unknown	Unknown	Intermediate (last 1-2 months)	Plastron heavily gnawed - almost all missing. Multiple fox scat in vicinity.
269	BL_269	6/11/2025	6:55	Bibra Lake South (top of lakebank)	-32.098885 115.831299	N	Suspected fox	Unknown	Unknown	Somewhat recent (last 1-

205	YL_205	20/09/2025	13:05	Yangebup Lake - S side	-32.124794 115.832422	N	Unknown	Unknown	Very old (12+ months)	Carcass and plastron only 60% intact - heavily gnawed on. Scutes missing and peeling.
206	YL_206	20/09/2025	13:25	Yangebup Lake - S side	-32.124625 115.833242	N	Unknown	M	Somewhat recent (last 1-4 weeks)	Turtle mainly but with holes around leg cavities and hollow inside - possible bird predation.
207	YL_207	25/09/2025	16:07	Beelilar Drive to south of Yangebup Lake	-32.124961 115.833956	N	Vehicle strike	Unknown	Fresh (last 24 hours)	Part of large seasonal migration between Yangebup Lake and Kogolup Lake
208	YL_208	4/10/2025	13:00	Beelilar Drive to south of Yangebup Lake	-32.125028 115.834392	N	Vehicle strike	Unknown	Fresh (last 24 hours)	Killed crossing road between Kogolup Lake and Yangebup Lake
209	YL_209	5/10/2025	15:55	Yangebup Lake - W side	-32.122635 115.825262	N	Unknown	Unknown	Very old (12+ months)	Only carapace remaining - starting to become bleached and cracked and half of scutes missing and peeling.
210	YL_210	10/10/2025	16:05	North Lake Road to east of Little Rush Lake	-32.110164 115.830795	N	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Turtle remains on side of road - compacted and dried out.
211	YL_211	12/10/2025	14:21	Little Rush Lake - S side	-32.112544 115.826919	N	Unknown	Unknown	Old (6-12 months)	Carapace and plastron mainly intact, scutes starting to peel
212	YL_212	20/10/2025	17:12	Yangebup Lake - E side	-32.114053 115.832606	N	Suspected fox	Unknown	Somewhat recent (last 1-4 weeks)	Plastron and carapace chewed on. No soft tissue or skin remaining.
213	YL_213	20/10/2025	17:46	Yangebup Lake - S side	-32.123100 115.834883	N	Suspected fox	Unknown	Somewhat recent (last 1-4 weeks)	Plastron and carapace heavily chewed on. Soft tissue around leg orifices and multiple ants feasting on remains
214	YL_214	20/10/2025	18:02	Yangebup Lake - S side	-32.124060 115.833423	N	Suspected fox	Unknown	Somewhat recent (last 1-4 weeks)	Plastron heavily chewed on - approx. 50% remaining. Rear legs are partially intact with some skin. Head and neck missing - appears to have been ripped off.
215	YL_215	28/10/2025	16:55	Yangebup Lake - S side	-32.116531 115.825317	N	Suspected fox	Unknown	Somewhat recent (last 1-4 weeks)	Carapace and plastron chewed on - dried tissue around rear leg orifices.
216	YL_216	28/10/2025	17:36	Yangebup Lake - W side	-32.123283 115.834817	N	Suspected fox	Unknown	Somewhat recent (last 1-4 weeks)	Carapace and plastron heavily chewed on - approx. 70% remaining. Small amount of dried skin remaining around rear leg orifices.
217	YL_217	30/10/2025	17:47	Yangebup Lake - S side	-32.123781 115.833225	N	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Plastron and carapace intact - some chew marks on edge of carapace.
218	YL_218	30/10/2025	17:52	Yangebup Lake - S side	-32.123647 115.833925	N	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Plastron and carapace heavily chewed on - approx. 70% remaining. Fox scat seen in vicinity.
219	YL_219	30/10/2025	17:58	Yangebup Lake - S side	-32.123528 115.834264	N	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Plastron and carapace intact and some dried skin around leg holes.
220	YL_220	31/10/2025	15:53	Yangebup Lake - S side	-32.123157 115.835519	N	Unknown	Unknown	Very old (12+ months)	Carapace and plastron bleached, cracked and weathered - no scutes remaining
221	YL_221	31/10/2025	16:07	Yangebup Lake - E side	-32.121786 115.835278	N	Unknown	Unknown	Old (6-12 months)	Carapace and plastron intact. Scutes peeling, remains next to dried fox scat and footprints in soft sand.
222	YL_222	2/11/2025	15:32	Yangebup Lake - E side	-32.120897 115.826506	N	Unknown	Unknown	Very old (12+ months)	Carapace and plastron bleached, cracked and weathered - no scutes remaining
223	YL_223	4/11/2025	11:29	Yangebup Lake - N side	-32.114375 115.826968	N	Unknown	Unknown	Very old (12+ months)	Carapace and plastron bleached, cracked and weathered - approx. 50% scutes remaining
224	YL_224	12/11/2025	17:32	Little Rush Lake - E side	-32.111192 115.828044	N	Unknown	Unknown	Old (6-12 months)	Plastron intact. Carapace mainly intact but with some chew marks - scutes peeling.
225	YL_225	22/11/2025	10:59	Yangebup Lake - E side	-32.121533 115.835657	N	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Plastron and carapace heavily chewed on - approx. 70% remaining. Fox scat immediately next to remains.
226	YL_226	22/11/2025	11:57	Yangebup Lake - E side	-32.114034 115.826685	N	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Plastron and carapace intact but missing neck, head and legs. Dried skin around tail, leg and neck orifices and smells heavily of decomposition.
227	YL_227	23/11/2025	16:49	Yangebup Lake - W side	-32.120800 115.825386	N	Unknown	Unknown	Somewhat recent (last 1-4 weeks)	Turtle intact with no missing appendages. Skin dried out and holes around leg openings - likely raven kill.
228	YL_228	25/11/2025	16:35	Yangebup Lake - S side	-32.124748 115.834194	N	Suspected raven	Unknown	Somewhat recent (last 1-4 weeks)	Found with intact plastron and carapace, with head and limbs dried out and holes at leg orifices - likely as a result of bird (raven) beak impact.
229	YL_229	21/12/2025	16:09	Yangebup Lake - S side	-32.123906 115.832986	N	Suspected raven	F	Somewhat recent (last 1-4 weeks)	Found with intact plastron and carapace, with head and limbs dried out and holes at leg orifices - likely as a result of bird (raven) beak impact.
230	YL_230	21/12/2025	17:11	Yangebup Lake - S side	-32.124850 115.833383	N	Unknown	Unknown	Older (last 2-6 months)	Carapace and plastron intact. Scutes mainly intact, but just beginning to weather.
231	YL_231	26/12/2025	17:28	Little Rush Lake - S side	-32.111700 115.825189	N	Suspected fox	F	Fresh (last 24 hours)	Likely overnight kill (late turtle nesting movement). Head and neck missing and top of plastron removed. Back legs still intact. No internal organs remaining - likely secondary-orelated by scavenging birds.
232	YL_232	28/12/2025	17:27	Yangebup Lake - SW side	-32.123336 115.828953	N	Suspected fox	F	Somewhat recent (last 1-4 weeks)	Head and neck missing, with other limbs present and dried out. Carapace and plastron intact. Strong smell of decomposition and swarming with ants.
233	YL_233	31/12/2025	17:57	Little Rush Lake - E side	-32.110367 115.827394	N	Suspected fox	F	Somewhat recent (last 1-4 weeks)	Head and neck missing, with other limbs present and dried out. Carapace and plastron intact. Smell of decomposition with a few ants present.
